Skills:

- HTML
- CSS
- Javascript/Jquery
- Express/Node
- Sequelize
- MongoDB
- React

Experience

May 2019– Oct 2019: Penn LPS Coding Bootcamp

- Learned HTML, CSS, Javascript, Express/Node, Sequelize, MongoDB and React
- Specialized in back-end development

Jun 2014 – Present: Spent 5 years raising and parenting two sons. During that time I:

- Honed invaluable time management skills
- Cultivated relationships with friends and neighbors to assist with pick-up and drop-off.
-

Sep 2015 – Present: Service Musician for Trinity Episcopal Church

May 2011 – Jun 2014: Recovery Specialist for Nationwide Credit Inc.

- Created my own Access database to automate complicated calculations and simplify my work flow.
- Consistently met or exceeded all performance metrics.

Education

2019: Penn LPS Coding Bootcamp

1997 – 2000: Computer Science Major, Muhlenberg College
